

CAMP MCKINLEY CLUB DANCE

The Camp McKinley Social Club gave the second of its monthly hops last night at Camp McKinley, Waikiki, about a hundred guests from the city being present. The club has already achieved an enviable reputation for entertaining and last night the members added to their laurels.

The pretty hall, or lanai, at the military post was attractively decorated, hunting being carried all around the interior just below the ceiling, while strings of Oriental lanterns and large lamps shed a soft light in the interior. Three sides of the hall, which is a spacious structure, were open to the breeze. The whole effect, enhanced by the natty blue blouses and white trousers of the soldiers, was quite pleasing. Numbers of young ladies from town were present all in light evening gowns. Music was furnished by the Kawaihau Glee Club, and with Solomon to lead, was the best the town affords.

Guests were met at the Kapitolani Park entrance by army ambulances and were carried direct to the dancing pavilion. In the matter of conveyances, as in many other details, the soldiers proved themselves attentive hosts. During the evening light refreshments were served. Among those who were present for a short time, to look on, were Captain Nichols, commanding officer of Camp McKinley; Lieut. and Mrs. Hamilton and Dr. and Mrs. Baker.

Frank Gupitill was the floor manager. The officers of the club are Philip E. Cramer, president; Wm. E. Swartz, vice-president; Ollie M. Powell, secretary; Fred J. Harritty, treasurer; A. C. Love, assistant treasurer.

Swindling Japanese.

The High Sheriff is investigating an organized scheme for defrauding ignorant Japanese. It seems that a number of Japanese have formed companies and tell their ignorant fellow country-men that the steamship people will not sell tickets to Orientals and that they must get tickets of the company under assumed names. A number of Japanese tried this and were left when the Alameda sailed. If the men defrauded will swear to complaints the police think that the guilty parties can be captured without trouble.

Chinaman's Ribs Broken.

An aged Chinaman, who drives a laundry-wagon, met with a bad accident in Manoa Valley on Monday resulting in his being taken to the Queen's Hospital for the treatment of three broken ribs and other bruises. It is also believed that he is injured internally.

The man was putting some clothing into the wagon when the horse turned about. The wagon, being at the time on a slanting portion of Manoa road, overturned and caught the Chinaman under it. He was taken out in an unconscious condition.
